Lightweight Pendant Speakers

The Brooke Alpha™ series PS200 Pendant Speaker is a 9w rated speaker for suspension from the ceiling. With 70v/100v line input at 1.1kΩ, the speaker is designed to be suspended approximately 510mm from the ceiling height for maximum audibility.

Contemporary Design

With a contemporary design, both the spherical housing and audio grille are finished in white with a 210mm diameter speaker.

Wall-mounted Speakers

The Brooke Alpha™ series of IN Public Address two-way Wall Speakers feature a 2" diameter tweeter on both models with a choice of either 5" to 6" bass drivers. Rated from 6w to 10w, they have a 70v/100v line input voltage with transformer included on units.

Thoughtful Design

The ABS enclosure and metal speaker grille are in off-white, and are flush-fit for unobtrusive and easy screw mounting.
